**Apologies:** Margaret Cousins

**Notes:** for meeting of Wednesday 17th September 2014 had been circulated electronically.

### **Matters Arising:**

**Keep NZ Beautiful.** Clean Up was held in Normandale on 27th September. Several folk helped which was great. Minoh House personnel were grateful as they had an Open Day the following day and were delighted the rubbish was cleared. Pete noticed and reported several things to the HCC. - The padlocks were broken on the bollards, 'camping' gear was left in the park area and so on.

**Correspondence:** Email from HCC re applying for money for projects.

Pete had an email from Nigel Parkin at HCC regarding a request from Mrs McBride of Raumati South that the junction of Normandale Road and Miromiro Road be named 'Lewis Corner' in recognition of her paternal forebears. Pete wondered whether naming the adjacent track would give a worthwhile memorial.

Margaret confirmed by email stating:- Mrs McBride is right. Her grandmother was (I think) Alyson Lewis who planted most of Normandale Road from the Bridge to Minoh House Cnr and carted buckets of water to keep the plants alive over many summers. The pedestrian track was outside the area she tended. They lived at 41 Normandale Road and it was the area from the Bridge to their house and around the intersection (the traffic island) that was her beat not the track. So a 'memorial' should be where she worked so diligently for so many years.

Pete will confer with Nigel Parkin again.
