### Minutes of Previous Meeting

Draft minutes of meeting of 17:2:2016 had been circulated electronically and were approved.  
*Sandie/Robyn*

### Correspondence:

Card to Mr. And Mrs. Reddy on leaving Normandale.

### Matters Arising

Thanks to the Facebook organiser and the editor(s) of Normandale Times.

A Facebook comment concerned parking on Martin Grove at school times. The school were going to send a message in their newsletter re this. Someone from Western Hutt Community had also responded. A committee response was that the parents could park further away and their children could teach them to walk.....

There had been a comment about the edges of the road between Sweetacres and the Old Coach Road with the suggestion of mirrors to help visibility. The edges have already been improved with the ditch on the uphill side being filled in. HCC officers and residents do not think that mirrors are the best option on corners.

### Normandale Times:

Pete wrote an article about the Western Ward committee and issues that folk might like to raise regarding Normandale as there will be a revue on 19th March of community plans.

## **Western Ward Committee:**

### **General:**

- Information re the Incorporated Society on dealing with conflict of interest and other problems.
- James Selwood (Search & Rescue group). Keep in mind for IRC. Ask James if he would like to speak about his organisation at a committee meeting. *Caroline to do this.* We could give his organisation a donation regardless.
- Walking pamphlet – Sandie had found the written comments but had not been able to trace the copy of the track maps that Grant had prepared.
- For the Normandale Residents Association to remain viable we need more members. Sally is going to resign at the AGM as she has a great amount of work.

Meeting closed – 8.20pm.

Next meeting – 20th April 2016
