

Let us know your views!

Both Greater Wellington Regional Council (GW) and Hutt City Council (HCC) are undertaking reviews of their strategic documents that will set the scene for our region, city and suburb for the next 10-20 years. We would like to hear your views on these so that they can be reflected in our submissions.

HCC District plan - as an initial stage, HCC would like to know what we think is working, and what we think is wrong with the current district plan.

<http://www.huttcity.govt.nz/districtplan>

GW - Long term plan (LTP). GW's LTP sets the priorities and budget for all their expenditure for the next ten years. For the first stage, they would like to know what we think the priorities are for future expenditure.

GW is also formally consulting on the **Draft Toitū Te Whenua Parks Network Plan 2020-30 (Draft Parks Network Plan)** which will determine the use and priorities for Belmont Regional Park.

Wanted!

Walkers, Explorers, & Nature Lovers who enjoy getting out and about around the Western Hills. Predator Free Normandale and the other Western Hill PF groups have together received a HCC Community Engagement Fund grant to get more traps out in parks and reserves around our neighbourhood. We are after people keen to monitor traps on their favourite walks, or bushy area. This could be a trap line of 10 or one out of the front of your home. Every trap out in the community helps our native wildlife and plants. For more information contact Nicole Swain pnormandale@gmail.com

1950s community leader Pete Charman passes

We are sad to say that long time community member Pete Charman, has died in Cambridge at the age of 93.

While he was living in Normandale, Pete bought a movie camera and with a group of enthusiasts they began making short films.

Pete used his movie camera to film local activities including the Scout hall opening, Scouts camping in Stratton Street, Father's Day at the new Normandale Playcentre, and the amalgamation wire cutting.

In 2007 he returned to Normandale for the wire cutting re-enactment and ended up filming it. Many of the participants were children of those who had played important roles back in 1957.

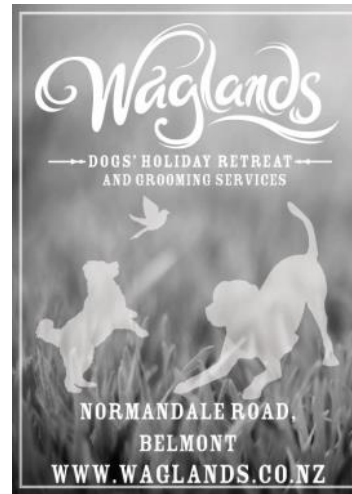

Known as "Pothole Pete" he also wrote for the Normandale Times, and was chairman of the local Scouts committee which built the Scout hall (now a karate dojo) in Wilson Grove.

Pete lived an active life until the end, and is survived by first wife Joan, second wife Daphne and his children, grandchildren and great-grandchildren.

-Rosemary McLennan

Pete Charman records the 2007 amalgamation re-enactment, 50 years after he filmed the original event.
