NORMANDALE TIMES

Published by the Normandale Residents' Association

Presidents Piece

I'm sorry to say that the turn out for our AGM this month was again disappointing, although we did gain a new committee member, Richard Langdale, who will be familiar to many of you. Your committee is concerned that we are representing your views accurately, and we can only be sure of this if you let us know. It is a common perception, that people are reticent about telling organisations that they are doing a good job, but quick to point out when they are dissatisfied, but if you would like us to provide other ways in which you could contact us please let us know, either through the Normandale Times, our web site www.normandale.org.nz or by contacting a committee member.

I'm pleased to be able to report that after the erection of the Information signs reported last month, we have completed another project, the installation of exercise equipment at Jubilee Park. At the moment it is still fenced off to allow the re-seeded grass to grow, but we will be planning a formal opening shortly.

We are also well into planning for the next Inorganic rubbish collection, and will confirm the date as soon as we have contacted the contractors. Keep an eye out in the next NDT, on the website, and on the notice board at the bottom of Normandale Road.

A new lease of life for the Scout Hall

Since the demise of the Normandale Scout troop, the Scout Hall on the reserve in Wilson Grove has been slowly deteriorating, and attempts to find another user have had no success. We have now heard from HCC Parks and Gardens that Hutt Valley Dojo, an organisation that teaches traditional Kyokushin (the ultimate truth) Karate, would like to buy the building and refurbish it as a training centre. They have indicated that they would also be happy to share the facility with other similar organisations. The decision will come to the Western Ward Committee for approval, but input from the NRA on your behalf will obviously be an important factor in that decision. Please let us know what you think by voting on our web site www.normandale.org.nz, email Normandale.residents@gmail.com, or by contacting a committee member.

Based in the Maungaraki shops, we offer weights, pilates and yoga, nutrition plans, massage, personal training . . .

Nikki and Reno are committed to your success, if you are then contact us on 586 4881 or info@o2exercise.co.nz
