What is the Inorganic Collection?

Inorganic Collection Day has been a long term tradition in the Normandale community hosted by the Normandale Residents' Association.

Two Jumbo sized bins will be positioned outside 145 Normandale Rd, where Normandale residents are encouraged to dispose of their inorganic rubbish. NRA members and helpers will be in attendance for transferring the rubbish.

Do I have to pay to use the bins?

There is a \$5 fee for non NRA members, and use of the bins is free for NRA members. You can pay your yearly \$5 NRA subscription at the collection point.

If you have a larger item intended for bin disposal, the NRA may be able to lend a hand. Subject to prior discussion- inquire with us (see contacts below).

What can I put in the bins?

We cannot accept:

- Garden / household refuse.
- Tyres, Glass, Paint.
- Recyclable materials.
- Hazardous materials (especially medical waste).
- Commercial / excessive quantities of building waste.

We can accept most other inorganic rubbish.

Community comes together

On the 1st of October, a group of neighbourhood kids got together to wipe the graffiti off two bus stops in Poto Road that had been hit overnight. The kids did a great job, especially when our local park ranger (who also lives on Poto Road) turned up with his graffiti spray to help! It was a lovely example of community getting together and doing the mahi. It makes our suburb a great place to live.

A special thank you to Alice, Hannah, and Millar who got stuck in with the cleaning supplies. Normandale thanks you!

Santa Parade

Normandale's Santa Parade celebrates 39 years of the man in red making a special daylight visit to the suburb on Christmas morning. Santa delivers gifts by arrangement and there are sweets for everyone waiting at their gates to watch him ride by in his sleigh.

Details of the sleighs start time and route will be published next month.

Seeking Helpers for Inorganic Collection Day

The NRA committee would greatly appreciate any extra sets of hands from residents during our Inorganic Collection Day. If you can spare 1 hour to help out at the collection site, please get in touch with us at normandale.residents@gmail.com, or drop us a line at Residents of Normandale on Facebook.
