If you haven't read anything else in the newsletter this month, I would highly recommend doing so, as this may be the last chance you get. As your editor I would like to say its been a pleasure, and I wish you all the very best, as this may be one of the last things I write for this publication.

NORMANDALE TIMES

Published by the Normandale Residents' Association

June 2016

Desperately seeking ...

...COMMITTEE MEMBERS.

You have told us how much you value the work we do and we thank you for that. Now though, we need to ask you to help us. Several stalwart committee members have decided that they will not be able to continue for another year, and we desperately need some support if we are to continue.

No offer of help will be refused, and we are looking at ways to alter the way we operate to accommodate everyone. Please come along to our AGM on Wednesday 15th June to see what we are about and show your support for our continued work. Alternatively, contact me or any committee member to offer your help or to discuss things.

Looking Forward

Some people have told us that they find regular committee meetings a barrier to helping out, and we are looking at ways of using modern technology to minimise the need for these, as well as making those meetings we do have, more of a social occasion. So please consider joining us!

Let us know of any ideas you have that will work for you and you think will help us.

- Options:
- ? Meeting by email or forum
 - ? Video conference meetings
 - ? Changing meeting day (currently 3rd Wednesday of the month)
 - ? Having meetings on an as needed basis
 - ? Meeting under more social circumstances or in a more social environment.
 - ? DISBANDING
- Come to the AGM and have your say or get in touch and let us know.*
